You will see 2 sections:

1. Paper Documents
2. Electronic Documents

To print a blank Physical form or other printable documents, click on the “Download and Print” tab on the right side.

In most cases printable forms such as the Physical should be turned into the school manually. However, some schools may allow you to upload these documents to an electronic form titled “Physical Upload Form”. If your student’s school allows this option, it will appear under the Electronic Forms section.

To complete the electronic forms, click on the first blue link to open the form. The form status will show as “Incomplete” until after the school has approved your student’s forms.

Note*: Some schools may require multiple forms to be completed.
